LEARNING OBJECTIVES

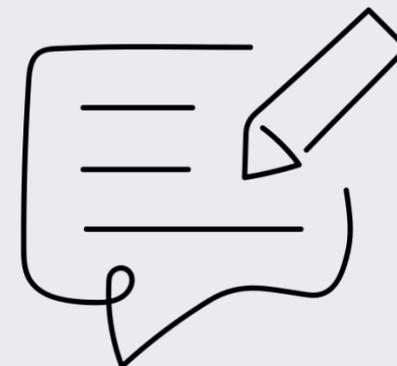

By the end of this peak session,
you will understand . . .

How to Construct
the Pentatonic
Scale in any Key

How to practice the
Pentatonic Scale with
Recommended
fingering techniques

How to use the
Pentatonic Scale in a
Song / Chord Progression

How to Construct a Pentatonic Major Scale

Pentatonic Major Scale is a 5 note Scale derived by playing the 1st, 2nd, 3rd, 5th and 6th tones of a Major Scale.

Simply put, it's a Major Scale without the 4th and 7th tone.

The C Pentatonic Major Scale is CDEGA (C)

Exercise : Can you Construct the others?
